## Camp Gan Israel of Raleigh Summer 2025

### Welcome

Dear parents,

It is with great excitement that we approach another summer at Camp Gan Israel of Raleigh. We look forward to providing you and your family with an enriching Jewish summer experience full of fun times, new friends, and great memories. Our staff is eager to get to know your child and give them a summer experience of a lifetime!

What makes our program unique is our focus on campers as individuals and our commitment to providing each one of them with a nurturing experience. We design our program to provide for your child's social, emotional, and cultural well-being. With themes relating to their Jewish identity and by infusing the daily schedule with activities, arts and crafts, songs and stories, their experience becomes interactive and meaningful. It's a place where Judaism comes alive in a fun way.

Our staff here at Camp Gan Israel is dedicated to giving each child an unforgettable experience. Your child will grow and form special relationships with friends and role models to cherish for a lifetime. Every decision that is made in the planning and operation of the camp is always made with a focus on safety, this is clearly outlined in our motto, Safe. Fun. Jewish.

Please review this handbook to familiarize yourself with camp procedures and policies. If you have any questions, suggestions, or concerns, please contact us.

Sincerely,

Rabbi Mendy Wilschanski

Morah Brocha Wilschanski

### Safety & Security

At Camp Gan Israel, your child's safety is our number one priority. Attendance will be taken in the morning and every camper will be accounted for. ---

### Food and Snack

**HOT LUNCH PROGRAM:** We provide lunches, see menu attached.

**NO MEAT:** Please do not send meat products.

**Please send your child with a minimum of one snack for the morning**, we will be providing light afternoon snacks for all campers. Please let us know if your child has any food allergies.

We have water fountains and tap water available throughout our campus. Campers will be encouraged to hydrate often, especially during outdoor sports and activities. Please send your child with a reusable water bottle marked with their name.

---

### What to Bring to Camp

- **Swim Gear**

Campers will be doing water activities daily, it is therefore encouraged that you send along with your child a bathing suit & towel (& all other water accessories).

- **Camp T-shirts**

Camp T-shirts *must* be worn on Thursday (trip days) and on photo day (to be announced). Every camper will receive one camp T-shirt upon the completion of registration. Should a camper forget their camp T-shirt or would like additional ones, they will be available at the camp office for purchase for \$15.00 (Limited availability).

- **Sunscreen**

Please apply sunscreen each morning before camp. If you would like your child to re-apply lotion during the day, please send them with spray sunscreen labeled with their name. We will also ensure that there are shady, sun-protected areas during outside activities. Our facility will be air-conditioned.

- **Cap / Hat**

To protect campers from the sun.

- **Shoes**

We highly recommend that campers come with closed-toe shoes. Sandals and flip-flops are recommended for water activities but are not recommended for the full day as it makes sports and activities difficult.

---

### What Not to Bring to Camp

Cell phones and electronic devices are *not* permitted to be used during camp hours. We ask you to please not send your child to camp with a cell phone. Cell phones tend to detract from group activities and the camp spirit. If your child *needs* access to a phone or other device during camp hours, please call us *before* camp to discuss.

Camp Gan Israel cannot take responsibility for toys, jewelry, sports equipment, or other valuables that are lost or broken during camp hours.

---

### Anti-bullying Policy

At Camp Gan Israel bullying is inexcusable, and we have a firm policy against any type of bullying. Our Camp philosophy is based on our mission statement which ensures that every camper has the opportunity to experience camp in a safe and fun environment. We work together as a team to ensure that campers gain self-confidence, make new friends, and go home with great memories.

Our leadership addresses all incidents of bullying seriously and our staff is trained to promote communication with their supervisors and their campers so both staff and campers will be comfortable alerting us of any problems during their camp experience. Every camper has the right to expect to have the best possible experience at camp, and by working together as a team

to identify and manage any bullying, we can help ensure that all campers and staff have a great summer at Camp Gan Israel.

A camper who persistently bullies may be suspended or expelled without a refund.

### Lost & Found

We encourage you to mark items your child brings to camp with his/her name. Shirts, backpacks, etc. can seem identical and individual items are difficult to identify without a label. Lost & Found items will be available at the camp office. Please contact us regarding specific items and we'll do our best to help you locate them.

---

### Trip Transportation

We will be transporting all campers for all of our trips and outings. Safety is our number 1 priority. While we have a hired bus company that we use every year there may be occasions where Rabbi Mendy, Morah Brocha & 2 other experienced adult drivers will be our drivers, we do not supply car seats/child restraint systems without request. If you would like your child to have a car seat/child restraint system, we encourage you to let us know so in the case we need we can request that you send it with them in the morning at the start of camp. Alternatively, you may store it at camp or put in a request for use of one of our own.
